

EC - CERTIFICATE OF CONFORMITY

ALBION Group, a.s., 55 Zbraslavská Street,
159 00 Prague 5 – Malá Chuchle,
ID No. 26117274,

hereby declares that the product:

BRILIX, Pool Cleaning Kit

- is suitable for use as a pool cleaning kit for cleaning, maintenance, ensuring flow, etc. – **no heavy metals based on chromium, cadmium, selenium, mercury, antimony, arsenic or lead migrate into the water.**

This Certificate has been issued on the basis of the results shown in the Test Certificate of Accredited Laboratory No. 472102493, issued by ITC, a.s., Zlín on 23 January 2008.

- The product meets the requirements of ČSN EN 71-3 Safety of Toys – Part 3, Migration of Certain Elements
- The evaluated product does not contain any extractable primary aromatic amines
- The product colorant is fixed and is not released if exposed to contact with distilled water at 40°C for a period of 24 hours
- The plastic materials used are not softened by phthalic acid esters (phthalates)

The product under evaluation is intended for indirect contact with the skin. The evaluated technical parameters **meet the requirements** of the basic criteria for plastic product evaluations according to the Methodology Recommendation of the National Institute of Public Health No. 1/2000 for evaluations of products that come into direct contact with the human organism through skin or mucous membranes, as applicable, Acta Hygienica, Epidemiologica et Microbiologica No. 3/2000, Table 3 'Basic Criteria of Plastic Product Evaluations'.
